

Marketing Coordinator at Vetaphone A/S

Are you passionate about B2B marketing?
Are you highly structured and organised?
Do you enjoy taking on multiple tasks at the same time?

Then you could be our new marketing coordinator!
Join our fast-growing global organisation and help us strengthen our marketing efforts around the world.

Core responsibilities:

In the role of marketing coordinator you will be focusing on trade show coordination and marketing support. Your responsibilities will be:

- Trade show planning and execution
- Media planning – booking of advertisements in print and on-line trade media
- Liaising with external partners and suppliers
- Marketing support to sales managers and agents
- Ad hoc marketing tasks

Do you have what it takes?

To succeed in this position, you will need to take pride in running successful projects that feature both local and international stakeholders. We need you to be resourceful and a team player, proactive and offer a high level of service and professional support.

Further, you must:

- Have 3-5 years' experience with B2B marketing, ideally from a technical company
- Have experience with global trade show or event coordination/planning
- Have the ability to manage multiple projects in a fast-paced environment
- Have strong stakeholder management skills
- Have fluent English, both written and spoken

Why join Vetaphone A/S?

Vetaphone is the global market leader in corona and plasma surface treatment, a technology used to improve the surface adhesion on plastic, primarily in the print, packaging and extrusion industries. Our headquarters are in Kolding, Denmark, and we employ more than 75 people worldwide. The Vetaphone brand is also well represented in more than 60 countries through our extensive agent network.

We offer the opportunity to work in a company that provides scope for personal development with good career prospects, and the freedom to challenge the way we work so we can continue to be at the cutting edge of surface treatment technology.
